# SECRET CRUSHES

*We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd drink their bathwater, bear their children, or just that you have a secret crush on them.*

Candice is the type of complicated woman who can be difficult to summarize. Yes, indeed the 5' 7" 36D-26-37, All-American bombshell is complicated. And, let's just state the obvious, every single one of us would kill to get make it with her and have our way! Okay, now that the obvious is out of the way; let's investigate some of her complexity. You see, this gorgeous babe is an avid reader. Yes a lot of men don't assume that a beautiful woman is also an intellectual. But Candice is! Her favorite books include the biography of William Shakespeare, *The Hobbit* and Homer's *The Iliad and the Odyssey*. Candice is also a world traveler who is fascinated by learning about different cultures. Her recent visit have included New York, Ireland, Italy and England. Candice says I love to live life and meeting new people. *– A Close Friend with a Crush*

Guys, I'll tell you… some women are capable of having the most devilish look in their eyes. You know what I'm talking about. Kortney is just that sort of woman who I speak volumes as her mouth remains silent. And, Kortney, I hear you loud and clear. And, yes, I do want to fuck your brains out baby! I mean… love those succulent nipples and this dreamy sort of like body and, of course you already know what I want to do with you. Something along the lines of skipping all the formalities, pulling your pink panties off and allowing you to ease onto my rigid cock as I dive into your pussy, cockhead first! And, yes, of course, I'd have you keep those high heels on. Why is it that the babes who already possess an overwhelming sexiness have to ratchet the morning meter up a few notches through the use of tantalizing accessories? *— Jerry, NY*

# DID YOU KNOW PORN STARS HAVE FANTASIES LIKE YOU AND ME.

*We all fantasize about sex, like getting it on with strangers, with the boss, with the person next door, with the college professor or even at 35,000 feet. It's hard to believe that porn stars do, too.*

**KELLY KLINE**

It was warm in the empty laundry room of my apartment building and the hum of the few washers and dryers lulled and comforted me after a long day at work. To pass the time, I put on my headphones and settled into the sounds on my music player. I closed my eyes and relaxed against the washer, lost instantly to music, and the vibrations from the washer which enveloped me. This is a virtually true story that happened to me.

Not ten minutes into it, my mind wandering from song to song, I leaned forward across the washer, swaying my hips to the beat. Suddenly it was then that I became aware of the lightest of touches against my neck, and then another on my shoulder as soft hands reached around moving against me. I feel a warm, hard body as the straps of my dress slip from my shoulders to my arms. Soft kisses on my cheek, neck and shoulder and I arch my back and turn my head around towards the warmth.

My eyes are still closed when warm lips find mine. First softly they kiss me, sweetly caressing mine, then more urgently until a searching tongue finds its way between and is met with mine. The unknown hands leave my shoulders. One finds its way inside my dress to my breasts, nipples now awakened by the rough touch, are pinched and tormented. The other hand slips lower, just barely brushing against stomach until it slides my hem up to reveal my panties and then slips inside the elastic band.

I find myself grinding against a sudden hardness pressing against my lower back and at the same time against the two fingers that have opened me up to allow the third to work expertly on my clit. I moan desperately as it is slowly dipped inside then back again precisely rubbed across its now slick target. Like the clothes in the washer in front of me, I am being worked to lather. I cannot con-

tain a shiver as I feel my undies peeled to the side from behind and I am lifted slightly.

A hot, hard cock slides easily between my thighs and presses against my wet swollen clit, lingering and retreating. I cry out as I am driven crazy by the sensations and my legs are trembling and then when strong hands hold me by the hips, the thrusting begins at last. I am pressed hard against the washer which is now vibrating madly on its spin cycle, sending delicious sensations through me from the front while I am riding against him from behind.

The soaked lace from my panties is rubbing across my clit with each thrust sending tremors through me and I feel myself clamping down onto his cock as I start to cum. Crying out I fall forward onto the washing machine which finished its spinning, just as I did.

Suddenly the earphone is pulled roughly from my left ear. A woman's voice is asking me if I am alright. I open my eyes and notice it's the manager. I say, "Yeah, yeah. I'm alright." as I look around the laundry room searching apparently in vain for that warm, hard body.

## GEORGIA JONES

Your fingers unzip my blue jeans. Strange, but for a moment I thought of doing that to you but the whole idea of you undressing me was making me quite aroused. Then you stripped off my jeans leaving me just in my panties. Then you got hold of the waistband and pulled down my panties. I finish removing them making me butt naked. I had always been comfortable with my body but when your eyes are staring at me, it feels like my body's been exposed for the very first time.

Now, I'm lying on the bed as I see your eyes taking in my bared treasure. You tell me that I'm the most wonderful girl you have ever known. I smiled, slightly embarrassed because it's not like you to say something like that. But hey – you're still completely dressed.

You come over me and kiss me again, moving down on me kissing my neck and you suck on my boobs. I think you really like my boobs. There's no reason why you shouldn't like them, after all they are firm, round with hard nipples just begging to be sucked.

My heart's beating hard in anticipation when I feel your

hot breath hovering over my mound. I'm not sure if you are going to do anything or just tease me now. Then a sudden kiss on my pussy ends my speculation. A mere touch of your lips on my pussy and my body shivers in anticipation of what you'll do next.

You gently open my legs for a better view and touch my pussy lips very gently. With a wet finger you touch my moist lips and penetrate inside me. Once your finger is inside, you start stroking me while applying pressure on my clit with your other hand. I look down and see that your finger is all wet with my juices.

I was feeling the build up of an orgasm when you pulled out your finger. You stick out your tongue and give a lick along the length of my slit making my back arch up asking for more. You spread my love lips again and poke your tongue inside me. Your experienced tongue is licking me as I feel another orgasm building inside me.

Your head is between my legs tormenting my clit and your fingers up inside my love hole when the inevitable hits me. I put my hands on your head shoving you harder onto my pussy and my toes curl up involuntarily when my second orgasm comes gushing through me. I am sure I must have flooded your mouth but nothing seems to dampen your passion as you keep on licking me.

My body had hardly relaxed for a moment when I see you stripping your clothes off. You yanked off your boxers letting your huge cock come into view. How in the world will such a long cock ever fit inside my mouth or my pussy? I put my soft hands around your dick and stroke it lightly before putting it inside my hot mouth.

I tried to take your dick inside my mouth but couldn't get it all, maybe you are just too big for me. I tried to deep throat you with my deep blue eyes now fixed on yours. I sucked your dick harder. I felt your dick twitch in my mouth and a loud groan filled the room as you cum inside my mouth.

As soon as I felt the first stream of cum hit the back of my throat, I pulled your dick out but had no option but to swallow everything in my mouth. It didn't taste bad but you just kept on cumming. I'm amazed to see that even after so much cum your cock hardly went limp and it's still hard.

Undaunted, you picked me up in your strong arms and lay me on the bed. We melt into sex.

## Alexis Texas

We had the rare opportunity to send out intrepid editor to meet Alexis for a brief but probing wishful interview. He found her shy and charming, but also saw the little devil inside her come out. Let's see what he got out of her without going into her. We're sure you'll find his insights insightful. (Yes, we just wrote that.)

## Alexis Texas

**Ed: Good morning Alexis. Thank you for meeting me today.**

Alexis: Oh you're welcome. I'm looking forward to what you're going to ask me. But no pressure.

**Ed: Okay, let's get this out of the way first. Are you really from Texas? Really!?!**

Alexis: Yes, I am. Really. I was born and raised there, but I live in the L.A. area now. I go back often and want to ultimately live there when I'm done here.

**Ed: You've been in the adult entertainment business for more than tens years now and developed quite a following. I know that it all started with your butt; what's now become one of the most famous backside's in the biz. And one of the most fuckable, I might add.**

Alexis: Yep. Initially, I was a little surprised by the amount of interest in my butt. Growing up, it developed faster than the rest of me, but when my boobs started getting bigger and I got into adult, I felt better about it.

**Ed: Yes, for all it's infamy, you did not give up your anal cherry on camera until a couple years later.**

Alexis: You've done your homework! Yep, I did a little bit in my private life but didn't want to do it on set. When I finally did, it wasn't as bad as I thought it would be and I actually liked it and the rest, as they say, is butt history.

**Ed: Okay, let's get off your butt for a moment. I know you've done some mainstream movies but still are doing porn. Which do you like better?**

Alexis: *(laughs)* I like them both because they are both different. The mainstream movies took a longer time to film. A lot of sitting around,

# Wishful Thinking

## Alexis Texas

and no cock to sit on. *(laughs again)*

**Ed: Well, when you're not sitting on a cock and you're feeling horny, what do you do?**

Alexis: I have a very high sex drive. I'm always ducking in someplace or another to have myself a quickie cum. My favorite way and place to do it is with my waterproof vibrator, floating on my back in my pool, with the hot sun beating down my nude body. There is an extra turn on being nude outdoors.

**Ed: Can your neighbors or others passing by see?**

Alexis: Some can, and I'm okay with it, after all that's an exhibitionist fantasy, so I hope so.

**Ed: Do you have any sex toys?**

Alexis: Yep, and I love to play with them. I have a vibrator with all kinds of attachments and anal beads and butt plugs, which are fun to use and I have a 20 inch long two-headed dildo to use with another girl. That 10 inches each!

**Ed: Have you ever been to a swing club?**

Alexis: Well that was quite a left turn! Someone must have said something to you. But yes, I attended a lifestyles convention in Las Vegas and got invited to a party or two. I also discovered a hedonistic resort in Jamaica that I go to once or twice a year. I love that place, especially their theme nights.

**Ed: What were the most people you have been with at the same time?**

Alexis: with three orifices and two hands, the most I can handle at one time is five men. Maybe I could do six if I were to use my feet too, but I have not done that. At least not yet!

**Ed: Is there anything else, sexually speaking, that you would like to try that you haven't?**

Alexis: I'm sure there is, but I can't imagine what. I think I have tried just about everything, even sex that involved ropes, a blindfold and a leather paddle. Some things I'm not interested in, but whatever I wanted to try, I have.

**Ed: What's coming up for you in the future?**

Alexis: I like where I'm at right now. I'll do more porn flicks somewhere down the line. Maybe some more mainstream movies. I have a couple scripts I'm reading and one of them seems just right for me.

**Ed: Alexis, you've been great. Do you have any final thoughts that you would like to leave with your admirers?**

Alexis: Men, you know what to do. I have a blast posing for pictures and making movies, so you now it's your turn to have a blast. I hope you all will keep coming to see me wherever I am. And for you lovely ladies, I want to do more girl-girl scenes because I love the way women lick pussy. And I love to have my pussy leaked. I'll never get tired of that, even when I hang up my porn shoes and move back to Texas. See you then.
